

# HELP BUILD A CHURCH —A SHELTER OF HOPE

In a humble rural community of Tayabo, Nueva Ecija, Philippines, a faithful group of worshippers gathers every week—sometimes under a fragile, crumbling shade, other times beneath the open sky. When the rain pours, they press on, hearts full of faith but bodies exposed to the harsh elements. Imagine the blessing of providing them a safe, sturdy church—a place where they can worship freely, sheltered from the wind and rain.

Your generosity can turn this vision into reality. Every gift, big or small, will help lay the foundation for a house of prayer—a place where lives are transformed, and hope is renewed. Together, we can give these worshippers not just a building but a beacon of faith and community.
